Receipt Notice- This notice confirms that USCIS received your application or petition ("this case") as shown above. If any of the above information is incorrect, please immediately call 800-375-5283 to let us know. This will help avoid future problems.

This notice does not grant any immigration status or benefit. It is not even evidence that this case is still pending. It only shows that the application or petition was filed on the date shown.

Processing time - Processing times vary by kind of case. You can check our website at www.uscis.gov for our current "processing times" for this kind of case at the particular office to which this case is or becomes assigned. On our websites "case status online" page, you can also view status or sign up to receive free e-mail updates as we complete key processing steps on this case. During most of the time this case is pending, however, our systems will show only that the case has been received, and the processing status will not have changed, because we will be working on other cases that were filed earlier than this one. We will notify you by mail, and show in our systems, when we make a decision on this case or if we need something from you. If you do not receive an initial decision or update from us within our current processing time, check our website or call 800-375-5283. Please save this notice, and any other notice we send you about this case, and please make and keep a copy of any papers you send us by any means, along with any proof of delivery to us. Please have all these papers with you if you contact us about this case.

If this case is an I-130 Petition - Filing and approval of a Form I-130, Petition for Alien Relative, is only the first step in helping a relative immigrate to the United States. The beneficiaries of a petition must wait until a visa number is available before they can take the next step to apply for an immigrant visa or adjustment of status to lawful permanent residence. To best allocate resources, USCIS may wait to process forms I-130 until closer to the time when a visa number will become available, which may be years after the petition was filed. Nevertheless, USCIS processes forms I-130 in time not to delay relatives ability to take the next step toward permanent residence once a visa number does become available. If, before final action on the petition, you decide to withdraw your petition, your family relationship with the beneficiary ends, or you become a U.S. citizen, call 800-375-5283.

Applications requiring biometrics- In some types of cases USCIS requires biometrics. In such cases, USCIS will send you a SEPARATE appointment notice with a specific date, time and place for you to go to a USCIS Application Support Center (ASC) for biometrics processing. You must WAIT for that separate appointment notice and take it (NOT this receipt notice) to your ASC appointment along with your photo identification. Acceptable kinds of photo identification are: a passport or national photo identification issued by your country, a drivers license, a military photo identification, or a state-issued photo identification card. If you receive more than one ASC appointment notice, even for different cases, take them both to the first appointment.

If your address changes- If your mailing address changes while your case is pending, call 800-375-5283 or use the "Online Change of Address" function on our website. Otherwise, you might not receive notice of our action on this case.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

Additional Information

GENERAL.

The filing of an application or petition does not in itself allow a person to enter the United States and does not confer any other right or benefit.

INQUIRIES.

You should contact the office listed on the reverse side of this notice if you have questions about the notice, or questions about the status of your application or petition. *We recommend you call.* However, if you write us, please enclose a copy of this notice with your letter.

APPROVAL OF NONIMMIGRANT PETITION.

Approval of a nonimmigrant petition means that the person for whom it was filed has been found eligible for the requested classification. If this notice indicated we are notifying a U.S. Consulate about the approval for the purpose of visa issuance, and you or the person you filed for have questions about visa issuance, please contact the appropriate U.S. Consulate directly.

APPROVAL OF AN IMMIGRANT PETITION.

Approval of an immigrant petition does not convey any right or status. The approved petition simply establishes a basis upon which the person you filed for can apply for an immigrant or fiance(e) visa or for adjustment of status.

A person is not guaranteed issuance of a visa or a grant of adjustment simply because this petition is approved. Those processes look at additional criteria.

If this notice indicates we have approved the immigrant petition you filed, and have forwarded it to the Department of State Immigrant Visa Processing Center, that office will contact the person you filed the petition for directly with information about visa issuance.

In addition to the information on the reverse of this notice, the instructions for the petition you filed provide additional information about processing after approval of the petition.

For more information about whether a person who is already in the U.S. can apply for adjustment of status, please see Form I-485, *Application to Register Permanent Residence or Adjust Status.*
